Hot! Hot! Hot!

Dear Parents and Carers,

Firstly, a huge thank you to all our parents, staff and children who had to adapt during the recent heatwave. The school was certainly sweltering, but everyone worked together brilliantly to ensure that the safety and wellbeing of our children remained our top priority. Your support and flexibility were greatly appreciated.

June is always a busy month in the school calendar, and this year has certainly been no exception! Our swimming pool was once again a great success and has inspired many children to take up swimming lessons, which is wonderful to hear. Sports Week, one of our favourite weeks of the year, was fantastic. It was amazing to see so many children trying a variety of different sports, and the Colour Run at the end of the week brought smiles, laughter and lots of joy to everyone involved.

Once again, we would like to thank our incredibly supportive and proactive FOAH team, who adapted to the hot weather and rescheduled the school fair. It was lovely to see so many families attending and enjoying the event from the shade. I think I had the best job of the day – getting soaked! The money raised will, once again, help fund transport for school trips, as well as support investigations into air conditioning solutions for the future.

We have also been extremely impressed with all of our children who have represented the school on trips and visits throughout the year. The unanimous feedback we receive is how respectful, polite and well-mannered they are. They continue to be excellent ambassadors for AHS, and we are very proud of them.

At this time of year, we always have to say a fond farewell to our Mighty Oak Class. They have made us incredibly proud and are now coming to the end of their journey here at AHS. They enjoyed a fantastic residential visit to Beaumanor Hall and have also had the opportunity to visit their secondary schools in preparation for September. We wish every one of them the very best as they take their next steps on their educational journey.

We are also delighted to welcome Mr Darley to our team. Mr Darley will be teaching Rowan Class (Year 3) from August and is very excited about the year ahead.

Finally, thank you once again for all your support over the last year. We hope you all have a wonderful summer break and we look forward to welcoming everyone back in the new academic year.

With best wishes,

Mrs Bailey and Mrs Millward

Important Changes to Free School Meals (FSM) – Academic Year 2026–2027

The Department for Education (DfE) has informed local authorities and schools that changes will be introduced to the way Free School Meals (FSM) and Pupil Premium funding are allocated. The DfE is removing the transitional protections that have been in place since 1 April 2018. These protections previously allowed pupils who became eligible for FSM under the benefits-based criteria to continue receiving free meals, even if their household circumstances later changed.

From September 2026, eligibility will be reviewed annually. Households will need to meet the FSM eligibility criteria at the start of each academic year.

There will now be two categories of benefits-based FSM:

Targeted FSM – for pupils in households receiving Universal Credit with annual household earnings of £7,400 or less.

Expanded FSM – a new category for pupils whose households receive Universal Credit but do not meet the targeted FSM income threshold.

We want to ensure that every child receives the best possible support and education. Healthy school meals help children develop lifelong healthy habits and improve their readiness to learn. Applying for FSM may also provide additional funding for the school, helping us offer: extra learning support , after-school activities, assistance with educational visits and trip costs.

To enable the school to check your child's eligibility for Free School Meals and process applications on your behalf, we require some additional information from you. Your data will only be used for its intended purpose and will be stored in accordance with our Data Protection Policy.

Alternatively, you may request a paper copy from the school office and return it as soon as possible to support a smooth transition to the new system.
