### **Trustees' Report for the Year Ended 31 August 2017**

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year ended 31 August 2017. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

#### **Structure, governance and management**

##### ***Constitution***

The Academy Trust is a company limited by guarantee and is an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust. The company registration number is 08385139.

The governors act as the trustees for the charitable activities of Asfordby Hill Primary School and are also the directors of the charitable company for the purposes of company law.

Details of the trustees who served throughout the year except as noted are included in the Reference and Administrative Details on page 1.

##### ***Members' liability***

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

##### ***Trustees' indemnities***

A Governor may benefit from any indemnity insurance purchased at the Academy Trust's expense to cover the liability of the Governors which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust: Provided that any such insurance shall not extend to any claim arising from any act or omission which the Governors knew to be a breach of trust or breach of duty or which was committed by the Governors in reckless disregard to whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Governors in their capacity as directors of the Academy Trust

##### ***Method of recruitment and appointment or election of Trustees***

Potential new trustees are identified by the governors, ensuring that the skills and experience of new trustees are complementary to those of existing board members. The Asfordby Hill Academy Trust has the power to appoint a majority of trustees.

##### ***Policies and procedures adopted for the induction and training of Trustees***

The training and induction provided for new trustees will depend on their existing experience. Where necessary the induction process will provide training on charity, educational, legal and financial matters. All new trustees are welcome to visit the Academy and to meet with staff and students. All trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as trustees. As there are normally no more than one or two new trustees a year, induction tends to be done informally and is tailored specifically to the individual.

### **Trustees' Report for the Year Ended 31 August 2017 (continued)**

#### ***Organisational structure***

There is a clear management structure to control the way in which the trust is run. The structure consists of two levels: the trustees and the executive team. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the trust by the use of budgets and making major decisions about the direction of the trust, capital expenditure and senior staff appointments.

The executive team control the trust at an executive level implementing the policies laid down by the trustees and reporting back to them. As a group the executive team are responsible for the authorisation of spending within agreed budgets and the appointment of staff, though appointments to the executive team always involve a representative of the trustees.

#### ***Arrangements for setting pay and remuneration of key management personnel***

Trustees, other than staff trustees, do not receive remuneration from the Trust. The pay and remuneration for teaching staff who are Key Management Personnel is determined in accordance with the Trust's Teacher's Pay Policy, which is reviewed annually to take into account national guidance contained within the School Teacher's Pay and Conditions document.

#### ***Risk management***

The trustees have assessed the major risks to which the trust is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the trust, and its finances. The trustees have implemented a number of systems to assess risks that the Academy face, especially in the operational areas (e.g. in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have adequate insurance cover. The trust has an effective system of internal financial controls and this is explained in more detail in the statement below.

#### ***Connected organisations, including related party relationships***

The charitable company has connections with the following organisations: Melton Lynx Academy Group.

#### ***Objectives and activities***

##### ***Objects and aims***

Asfordby Hill Academy Trust implements the vision of the Asfordby Hill governing body to improve the life chances of every learner within its Academy.

The mission of Asfordby Hill Academy Trust is to offer everyone opportunities to develop as high achieving, confident, healthy, caring and fulfilled members of society. This includes the trust's extended schools services and the opening of its facilities to the wider community.

##### ***Objectives, strategies and activities***

Asfordby Hill Academy Trust manages the school. The trust seeks to transform learning, foster academic excellence and support the regeneration of the communities that the Academy serve. The trust also empowers its students and stakeholders through active participation in the leadership of education initiatives at every level supported by products and programmes that enable the academy communities to realise their full potential. Through this positive impact, the Asfordby Hill Academy Trust is seeking to support the national school improvement agenda by developing and sharing best practice.

##### **Achievements and performance**

The school continues to perform well above National and Local expectations. Progress from KS1 starting points is also very good.

80% of our children met the expected standard or achieved higher in reading, writing and maths.

National % was 61% (20% exceeded the standard – national was 8.7%)

85% of our children met the expected standard or achieved higher in reading alone.

National % was 71.5% (45% exceeded the standard – national was 24.6%)

95% of our children met the expected standard or achieved higher in writing alone.

National % were 76.3% (35% exceeded the standard – national was 17.7%)

90% of our children met the expected standard or achieved higher in maths alone.

National % were 61% (30% exceeded the standard – national was 22.7%)

95% of our children met the expected standard or achieved higher in Grammar, punctuation and spelling.

National % were 76.9% (50% exceeded the standard – national was 30.9%)

The school continues to be above floor standards.

##### **Key Stage 1 results 2017**

Reading 91.7% met expected standard 45% exceeded

Writing 87.5% met expected standard 54.2% exceeded

Maths 91.7% met expected standard 75% exceeded

88.9% pass rate in Year 1 Phonics

92% of EYFS achieved a ‘Good level of development’

##### ***Going concern***

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

##### **Financial review**

Most of the Trust’s income is obtained from the Department for Education in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the Department for Education during the year ended 31 August 2017 and the associated expenditure are shown as restricted funds in the statement of financial activities.

The Trust also receives grants for fixed assets from the Department for Education. In accordance with the Charities Statement of Recommended Practice, ‘Accounting and Reporting by Charities’ (SORP 2015), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

During the year ended 31 August 2017 total expenditure of £703,180 (2016: £601,432) was covered by the General Annual Grant, other DfE grants, other government grants as well as other income. The excess of expenditure over income (2016: income over expenditure) for the period, excluding the Fixed Asset fund was £17,387 (2016: £85,677).

## **Asfordby Hill Primary School**

### **Trustees' Report for the Year Ended 31 August 2017 (continued)**

#### **Strategic Report**

##### ***Financial and risk management objectives and policies***

The Academy manages its risks appropriately. The Academy's Financial Risk Register identifies key risks, such as the uncertainty over the LGPS deficit and increases in future employer's contribution rates, as main areas of concern. The Academy has a Financial Procedures Policy and Scheme of Financial Delegation, to govern the financial activities and decisions of the Academy both of which have been adopted by the governors. Resources are used to maintain efficient staffing levels, ensure the continuing effectiveness of the organisation and good state of repair of the site and buildings.

##### ***Reserves policy***

The trustees have reviewed the reserves of the academy. This review encompassed the nature of income and expenditure streams, the need to match them with commitments and the nature of reserves. The level of reserves will be kept under review by the trustees.

The amount held in the Unrestricted General Fund as at 31 August 2017 was £58,245 (2016: £73,505), the Restricted General Fund £158,257 (2016: £152,138) and the Restricted Fixed Asset Fund was £550,127 (2016: £580,963).

##### ***Investment policy***

The trust does not hold any long term investments. Any cash surpluses are placed upon over-night or fixed term deposit with the trust's banker.

##### ***Plans for future periods***

Asfordby Hill Primary School will continue to offer the best possible provision for pupils and become the school of choice. We aim to succeed in achieving capacity within the next academic year. We will continue to provide high quality education which results in attainment and good progress that is above National Expectations for all children. With the improved funding in PE we will ensure that all pupils have the opportunity to extend their access to physical education beyond school hours and improve their mental wellbeing.

In the longer term we will continue to monitor the local council development plan for housing increases and the impact that any future increases of primary education sites will have on sustainability and develop an action plan accordingly.

##### **Auditor**

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

### **Governance Statement**

#### **Scope of responsibility**

As trustees, we acknowledge we have overall responsibility for ensuring that Asfordby Hill Primary School has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to Phil Millward, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Asfordby Hill Primary School and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

#### **Governance**

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 3 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

<b>Trustee</b>	<b>Meetings attended</b>	<b>Out of a possible</b>

### **Governance Statement (continued)**

#### **Review of value for money**

As accounting officer the member has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

- Staff and governors are ambitious for the pupils to ensure they gain the best start to their education. Attainment and progress for all pupils, including vulnerable groups, make exceptional progress compared to those in other schools.
- A high proportion of the school's financial resources are spent on staffing. The school has high quality teaching and non-teaching staff and this is reflected in the outcomes for children. Class sizes are continuing to grow with the school NOR increasing.
- There are efficient and effective partnerships between teaching and non-teaching colleagues which benefits children of all abilities, especially pupil premium and pupils with special needs to establish positive health and mental wellbeing.
- In order to achieve progress and improve on it, school funds, and in particular the pupil premium funding and PE premium, is targeted for improvement in the form of small group tuition and activities for those pupils who have been targeted as under achieving or needing extra support.
- Staff professional development is closely linked to the school improvement plan. All professional development is cascaded to colleagues across the school in after school INSET meetings.
- There is a robust performance management system in place.
- Governors ensure that the school finance policy is adhered to. Procedures are in place to ensure that resources purchased are appropriate and are ordered in accordance with the correct procedures. Large items of expenditure are reviewed and authorised by the governing body prior to purchase. A minimum of three quotes are obtained for items of a value of more than £5,000. Governors decide on which quote is appropriate based on best value for money for the school.
- The SMT and governors receive regular budget reports, future year forecasts, reviews of income and expenditure (including variations) from the school bursar.
- We explore efficiencies of scale where possible (including staff training through a local teaching school alliance and sharing of costs of resources), thereby reducing administration and the cost of procurement.

#### **The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Asfordby Hill Primary School for the year ended 31 August 2017 and up to the date of approval of the annual report and financial statements.

#### **Capacity to handle risk**

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the year ending 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

## **Asfordby Hill Primary School**

### **Governance Statement (continued)**

#### **The risk and control framework**

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided:

- to appoint Leicestershire County Council Internal Audit Service as internal auditor

The auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems.

#### **Review of effectiveness**

As Accounting Officer, Phil Millward has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor ;
- the work of the external auditor;
- the financial management and governance self assessment process;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and General Purposes Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the Board of Trustees on 12 December 2017 and signed on its behalf by:

### **Statement on Regularity, Propriety and Compliance**

As Accounting Officer of Asfordby Hill Primary School I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2016.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

### **Statement of Trustees' Responsibilities**

The Trustees (who act as the governors of Asfordby Hill Primary School Academy Trust and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards [FRS 102] have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board on 12 December 2017 and signed on its behalf by:

Governor and trustee

## **Asfordby Hill Primary School**

### **Independent Auditor's Report on the Financial Statements to the Members of Asfordby Hill Primary School**

#### **Opinion**

We have audited the financial statements of Asfordby Hill Primary School (the 'Academy') for the year ended 31 August 2017, which comprise the Statement of Financial Activities incorporating Income and Expenditure Account, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the Academy's Trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its Trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2017 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **Asfordby Hill Primary School**

### **Independent Auditor's Report on the Financial Statements to the Members of Asfordby Hill Primary School (continued)**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Trustees' Report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of Trustees**

As explained more fully in the Statement of Trustees' Responsibilities [set out on page 13], the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

## **Asfordby Hill Primary School**

### **Independent Auditor's Report on the Financial Statements to the Members of Asfordby Hill Primary School (continued)**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Academy's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Academy to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Academy to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Academy audit. We remain solely responsible for our audit opinion.

### **Independent Reporting Accountant's Report on Regularity to Asfordby Hill Primary School and the Education and Skills Funding Agency**

In accordance with the terms of our engagement letter dated 12 May 2015 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Asfordby Hill Primary School during the period 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Asfordby Hill Primary School and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we may state to Asfordby Hill Primary School and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Asfordby Hill Primary School and the ESFA, for our work, for this report, or for the conclusion we have formed.

#### **Respective responsibilities of Asfordby Hill Primary School's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of Asfordby Hill Primary School 's funding agreement with the Secretary of State for Education dated 22 February 2013 and the Academies Financial Handbook extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year from 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

#### **Approach**

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- We have confirmed that the activities conform to the academy trust's framework of authorities. As identified by review of minutes, management accounts, discussion with the accounting officer and other key management personnel.

We have carried out an analytical review as part of the consideration of whether general activities of the academy trust are within the academy trust's framework of authorities.

We have considered the evidence supporting the accounting officer's statement on regularity, propriety and compliance and have evaluated the general control environment of the academy trust and extended the procedures required for financial statements to include regularity.

## **Asfordby Hill Primary School**

### **Independent Reporting Accountant's Report on Regularity to Asfordby Hill Primary School and the Education and Skills Funding Agency (continued)**

- We have assessed and tested a sample of the specific control activities over regularity of a particular activity. In performing sample testing of expenditure, we have considered whether the activity is permissible within the academy trust's framework of authorities. We confirm that each item tested has been appropriately authorised in accordance with the academy trust's delegated authorities and that the internal delegations have been approved by the board of trustees, and conform to the limits set by the Department for Education.

Formal representations have been obtained from the board of trustees and the accounting officer acknowledging their responsibilities including disclosing all non-compliance with laws and regulations specific to the authorising framework, access to accounting records, provision of information and explanations, and other matters where direct evidence is not available.

- In performing sample testing of expenditure, we have reviewed against specific terms of grant funding within the funding agreement. We have reviewed the list of suppliers and have considered whether supplies are from related parties and have reviewed minutes for evidence of declaration of interest, and whether or not there was involvement in the decision to order from this supplier.

We have performed sample testing of other income and tested whether activities are permitted within the academy trust's charitable objects.

#### **Conclusion**

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year from 1 September 2016 to 31 August 2017 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

### **Notes to the Financial Statements for the Year Ended 31 August 2017**

#### **1 Accounting policies**

##### **Statement of accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

##### **Basis of preparation**

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Asfordby Hill Primary School meets the definition of a public benefit entity under FRS 102.

##### **Going concern**

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

##### **Income**

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

##### **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

## **Asfordby Hill Primary School**

### **Notes to the Financial Statements for the Year Ended 31 August 2017 (continued)**

#### **1 Accounting policies (continued)**

##### ***Sponsorship income***

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

##### ***Donations***

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

##### ***Other income***

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy Trust has provided the goods or services.

##### ***Donated goods, facilities and services***

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and ‘Income from other trading activities’. Upon sale, the value of the stock is charged against ‘Income from other trading activities’ and the proceeds are recognised as ‘Income from other trading activities’. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within ‘Income from other trading activities’.

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust’s accounting policies.

##### ***Donated fixed assets***

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust’s accounting policies.

##### ***Expenditure***

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset’s use.

All resources expended are inclusive of irrecoverable VAT.

##### ***Expenditure on raising funds***

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

## Asfordby Hill Primary School

### **Notes to the Financial Statements for the Year Ended 31 August 2017 (continued)**

#### **1 Accounting policies (continued)**

##### ***Charitable activities***

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

##### **Tangible fixed assets**

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment. Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy Trust's depreciation policy.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful lives, per the table below.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

<b>Asset class</b>	<b>Depreciation method and rate</b>
Long leasehold building	over 50 years
Mobile cabin	over 20 years
Furniture and equipment	3 - 10 years
Computer equipment	over 3 years

##### **Liabilities**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

##### **Provisions**

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

##### **Leased assets**

Rentals under operating leases are charged on a straight line basis over the lease term.

## **Asfordby Hill Primary School**

### **Notes to the Financial Statements for the Year Ended 31 August 2017 (continued)**

#### **1 Accounting policies (continued)**

##### **Taxation**

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

##### **Pension benefits**

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes. The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in the notes to the financial statements, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

##### **Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education and Skills Funding Agency/Department for Education/sponsor/other funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency/Department for Education.

## Asfordby Hill Primary School

### **Notes to the Financial Statements for the Year Ended 31 August 2017 (continued)**

#### **1 Accounting policies (continued)**

##### **Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### ***Critical accounting estimates and assumptions***

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 21, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31/08/2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

### **Notes to the Financial Statements for the Year Ended 31 August 2017 (continued)**

#### **21 Pension and similar obligations**

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Leicestershire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

#### **Teachers' Pension Scheme**

##### **Introduction**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

##### **Valuation of the Teachers' Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

## **Asfordby Hill Primary School**

### **Notes to the Financial Statements for the Year Ended 31 August 2017 (continued)**

#### **21 Pension and similar obligations (continued)**

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £49,845 (2016: £44,008).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in Financial Reporting Standard 102 (FRS 102), the TPS is a multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

#### **Local government pension scheme**

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2017 was £29,000 (2016 - £33,000), of which employer's contributions totalled £29,000 (2016 - £26,000) and employees' contributions totalled £Nil (2016 - £7,000). The agreed contribution rates for future years are 23.3, 24.3 & 25.3 per cent for employers and 5.5 -12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
