

Sycamore Autumn (2nd half term) Homework

1. Do ONE box per week.
2. Hand in that box's homework on that week's Friday.
3. Once you've done a box cross it off. We will keep a record in school too.
4. At the end of this half term you will have done 6 boxes!
5. All homework will either be marked by one of the Sycamore team, displayed in the classroom, added to your topic book or shared by the class through presentations, blogging or through the class website.
6. If all 6 pieces are completed to Asfordby Hill's high standard then you can earn this half terms homework certificate and prize!

Remember -hand one piece of homework in each week.

Friction Make a mini-dictionary for the terms to do with forces (gravity, air resistance, up thrust, friction, Newtons and more).	Friction Write a biography for Isaac Newton.	Friction Devise a quiz to show what you know about forces.
Friction Create a piece of artwork, which shows forces in action. (Perhaps a boat on the water).	The Highwayman Verse two of The Highwayman describes his appearance. Using the actual words of the verse, can you turn it into an appropriate shape poem?	The Highwayman Create a comic strip telling the story of the Highwayman. Try and include as much detail from the original poem as you can.
World War I presentation. Use textbooks and the internet to research what the trenches looked like. You may include maps of where they were, photographs and diagrams. You can present it how you like.	PSHE Keep a diary of any 'Random Acts of Kindness' you have performed over the course of one week.	Maths When you go shopping, estimate how much the total bill will be. How accurate was your estimate? Write the details in your homework book. Find the difference between the estimate and the final bill.

Hand in dates:

Friday 2nd November

Friday 9th November

Friday 16th November

Friday 23rd November

Friday 30th November

Friday 7th December

Good luck!

Mrs Bailey
