Kitchen and Nurture Room

We are delighted to tell you we are supporting the School in an exciting new project!

Plans are afoot to develop the “Red Room” classroom into a multi-function area which will include a kitchen.

This will enable groups of children to be able to prepare and cook food as part of their learning.

FOAH has pledged £5,000 to get the project underway, and there are special events and activities planned to raise the funds needed to provide a high-standard facility for the children of Asfordby Hill School.

Look out for more details soon!

How can I help?

◆ If you or your family and friends shop at any Melton Tesco shops, please remember to ask for the blue tokens at the till. These can be popped into the collection tubes in the stores. Look out for the **Asfordby Hill School’s Children’s Kitchen and Nurture Room** tube.

◆ If you have contacts with local businesses who could help in any way with kitchen equipment supply and / or fitting, or with contributing funds for the project please let us know:

Film Club

Look out for a letter inviting all KS1 and KS2 children to an after-school film show.

There will be another separate event on a later date suitable for EYFS groups and their parents where we will show a shorter film and parents can stay for refreshments.

New Year Pantomime

FOAH paid for a professional Theatre Company to come into school to perform a pantomime for the whole school.

Judging by the comments we have heard, 'Cinderella' was a resounding success, and greatly appreciated by the children.

Thank you for supporting our fundraising activities which allows us to provide events like this for the children.

"My two haven't stopped talking about it!"

"Our two loved it! They've been singing all the songs."

"The boys said it was acer"

"Loved it"

"It was brilliant and very funny!"
